

Dual Plate Wafer Check Valve

Features

- Cast Iron body
- Stainless Steel plates
- EPDM seal
- To suit PN16

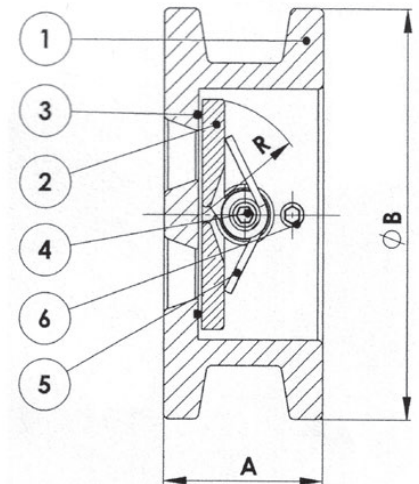

Pressure/ Temperature Ratings

- Size 50mm - 300mm 16 Bar
- Temperature 0°C to 120°C

Material Specifications

| Part No. | Part Name | Material |
|----------|------------------------|----------------------|
| 1 | Body | Cast Iron GG25 |
| 2 | Plates | Stainless Steel A304 |
| 3 | Seal | EPDM |
| 4 | Pins | Stainless Steel A304 |
| 5 | Spring | Stainless Steel A304 |
| 6 | Blanking Off Plug Seal | EPDM |
